AGENDA

Current Finances:

Current account balance: \$2074.77

Expenses and deposits from August:

Expenses: \$204 for website renewal

Deposits: \$8.57 from Amazon smile

Discussion:

- Banners
 - The school has not responded to inquiries about banners. We will need to use another vendor. 2daybanners.com looks like it could be a good resource. Any other recommendations?
 - Alissa has pictures for banner use, and also design ideas **get design and picture ideas soon so we can start quoting**
 - Senior night for cheer will not be until spring, so we have a few months to work on getting banner design done
- Thermometer- Alissa is going to check and see if the school will pay for one. She is wanting a touchless thermometer. It likely won't be needed until practice starts
- Amending the bylaws- proposed subtractions have a strikethrough, and proposed additions are in red. Since the current bylaws require 30 days notice for amendments, we will vote on changes in the November meeting. **Changes to bylaws are as follows: text with strikethrough is proposed for removal, and red text is proposed to be added. The current bylaws state 30 days are required for review, so changes will be voted on at the November 2, 2020 meeting**
