

The heart behind the booster – not just to make money, but to care for and equip the team, including coaches.

PHS Cheer Booster Meeting 1-18-2021

AGENDA

Current Finances:

After Q4 King Soopers Deposit we will have \$1,366.66. Leaving a \$500 buffer for administrative costs gives us \$866.66. Vinyl and banner costs may not be applicable this year since there will be no spectators, so we can use some of this money towards the banquet and the first team payment due in April 2021.

- made \$324.16 from King Soopers in Q4 of 2020
- how to spend- perhaps either for banquet, or to first payment for next season

Discussion:

- Coach update
 - currently- only 12 girls allowed at each game. Masks still required. Will not be required to wear masks at state competition, but will need to wear them at all other events the whole year. Coaches will still do symptom checks at the door regardless of what the school says. Team will purchase black medical masks for games because they are easier to breath through and don't fall down as much as the cloth ones.
 - This info could potentially change as there is a CHSAA meeting at 11 am tuesday (1/19/21)
 - Games are on google calendar. no games this week
 - No movie nights after games. May resume before state
 - Will cheer for basketball, wrestling (games start Jan 28, may have a saturday event, but need to find someone to staff it), maybe volleyball (schedule pending), and will start soccer games (schedule pending)
 - Currently, no fans allowed in stands
 - Banquet will likely still happen- may be able to rent half a restaurant or rent a patio. Will be warmer at that point. May still need to do a virtual banquet this year. Details can't be planned until closer to the end of the year.
 - Season should be finished by April.
 - Tryouts for next season will be in mid-April
 - Will only do inter city games, so no busses. Lots of student drivers this year, but can also set up parent carpool if needed.
 - Coaches not allowed to give rides anymore.
 - JV will have practices when varsity is at basketball game.
 - Physicals- good through season. New physicals will be needed for tryouts. Future orange cards will all be online. Because kids aren't switching sports they do not need to transfer physical from fall to spring.
 - Will have 3 competitions this season.
 - First: March 6th at Greeley west HS, likely no spectators. Will try and live stream.
 - Mandatory competition at fossil ridge HS- time/date not known. also likely no spectators, and will try to live stream.
 - State March 25-27 time and place unknown.
- Possible snacks for Basketball and Wrestling VOLUNTARY donations from parents
 - School seems to change mind constantly, so just sending snack reminder for the rest of the year may be the best. Perhaps start up with snacks next season if allowed?

POUDRE HIGH SCHOOL CHEERLEADING BOOSTER CLUB

- Coaches view- could give snacks before games, must be pre packaged individually. Not during games because it's too distracting.
- Better to have snack for before or after? before probably better, but may depends on preference
-
- remind families to sign up for king soopers and amazon smile. Instructions at- <https://www.poudrecheerboosters.com/support-us>
 - post on social media and share. Gained 4 more families and got \$100 more last quarter
 - See if other kroger subsidiaries eligible for signing up in other parts of the country
- Potential Fundraiser: Car Wash in the Spring
 - Carwash by lemay and mulberry may be a good place to check and see if they would host us
 - years ago, used to do one at the wellington lube stop
 - Might be good to have bake sale in conjunction with car wash
- Potential Fundraiser: Super Bowl Squares
 - This is something football does. Have grid with quarters. Buy each square and predict what score will be for each team. Can buy as many grids as you want. Whoever wins at various breaks gets a portion of the money.
 - Timing- if we get on squares now should have time to promote and sell squares. \$5 each
- There are cheer shirts in the closet that could be sold or used for state
- Table the Cheer camps for better weather/outside camps or once competition is over and we have more time to do camps. summer would be good for timing. Maybe join up with football and do joint camp. Maybe even do powder puff game.
- Summer/Fall Football team would like to team up with the cheerleaders for activities/fundraisers
- Football would love for us to be involved in more of their stuff.

Important dates:

- Next Booster meeting: February 1, 6:00 pm
