Discussion:

- Cheer speaker for games would like to use for football games if band cannot play during games. Speaker: https://www.amazon.com/Sound-Town-Portable-Rechargeable-Bluetooth/dp/B07H4G9P3Q/ref=sr_1_1?dchild=1&keywords=sound+town+portable+pa&qid=1595294896&sr=8-1
Brittany Bonomo has a speaker very similar that can be used , but might be missing a cord. Will see who has cord in the basement. Will not buy a speaker if Brittany's can be used.

- Girls powder puff game is typically in the spring
- will cheer for soccer this year as well, and will alternate with football in the fall
- Football team interested in doing secret pals? Girls would 'adopt' a few football players and decorate lockers.
- Gave wrestlers gatorades with encouraging sayings last year
- Football- had speakers come in to to give leadership/spirit talks. Cheer is trying to implement the same type of thing
- August 14th football booster BBQ/silent auction Girls could potentially help with greeting. Would be good event to start to get to know the football team/parents

 - Senior night- girls recognized at football games
 - on senior night, will hang banners in front of bleachers. recognition done at half time
 - Unanimous yes on senior banners
