Discussion:

- Superbowl squares- Share on facebook and email! Have sold 18 as of now. Deadline for squares/funds: before kickoff on Saturday. Have people share on personal social media accounts. Ask girls to post as well- Alissa will mention during practice and can post info to band app so people can copy/paste.
- Banquet Info:
 - Monday, March 29th from 6:30-7pm
 - will be at city park where the kids practiced all summer
 - Will have dessert bar (individually wrapped)
 - senior table
 - slide show link will be sent via email
 - will hand out awards (kids vote by March 8th)
 - families should bring blankets/chairs
 - Coach Alissa will bring speaker
 - For cheerleaders and immediate family
- Goody bags for state competition? local comps?
 - Bags for state only. Items up to booster. Ideas:
 - mini hand sanitizer
 - power bars
 - no pony tails/lip gloss/
- Suggestions on businesses to seek sponsorships from?
 - Came up with list of businesses to approach. Businesses would donate to the team, and because were are a 501c3 charity it would be a tax deduction for the business and we could offer differing levels of advertising at team events/social media
 - concern: school may not want us to approach gun sellers/breweries because advertising would not work well with school. Coach does not want us to approach those businesses.
 - Stick with a few miles around Poudre for businesses so as not to compete with businesses around other schools
 - Look at Wellington, LaPorte and Redfeather businesses since those kids also go to PHS

POUDRE HIGH SCHOOL CHEERLEADING BOOSTER CLUB

- Coach note- powder puff through student council/football- event runs around homecoming
 - Could maybe do a little powder puff game if we did joint camp with football. Ask football their thoughts

Questions:

- Can girls get pictures in their uniforms if basketball or wrestling is doing them?
- Marcy can bring SLR for photos if nothing else available
- Can order a team photo from the state competition
- updates from district? All the rules will likely stay in place until state so teams do not have to constantly change routines. State Venue will be in Colorado Springs. Not sure yet if spectators will be allowed. Will not have access to a bus. Carpooling allowed between families- whatever happens in parents cars is up to them. Mid march- will release performance time. Comp is all day long. This year it will be 3 days. Team will only compete on one day unless the team makes it to finals then they will compete on 2 days.

First competition likely on March 6th, other comp dates on calendar
Instagram post on what's expected for tryouts
