

POUDRE HIGH SCHOOL CHEERLEADING BOOSTER CLUB

The heart behind the booster – not just to make money, but to care for and equip the team including coaches.

Jennifer Werth, President
Brittany Bonomo, Vice President
Marcy Bogren, Secretary
MaryAnn Cassidy, Treasurer

PHS Cheer Booster Meeting 8-3-2020

AGENDA

Current Finances:

Current account balance: \$2,270.20

Made \$317 from garage sale

Will be getting \$244.01 from King Soopers this quarter

Made \$90 from selling decals, bows, etc.

Discussion:

- Fundraising- What goals do we have for the year? what fundraising options make sense to meet those goals?
Goals- Not a ton for this year- admin costs, food?, bonding, banner?, speaker? We can look at long term costs and start fundraising for costs next year. Cost per kid for a season will likely run \$1700 to \$2000. Booster often covers camp clothes which is typically the first purchase of the year because we have more flexibility and can move faster than the school.
- Make fundraising more of a focus this year since girls may not be cheering?
- Focus on minimal contact fundraising: business sponsorships, restaurant fund nights (jen has list from football)- maybe do a night once a month,
- - CSU food stand update: As of today, we are planning on having a home football season, with our first game being September 19th. As you know, there have been immense shifts in the world of food and beverage, to ensure the safety of our team members and guests, and our operation will be very different than what you're used to in the past. Our menu will be very slimmed down, as will the staffing and operation, so we will have more details soon. Please know that we are taking safety very seriously, as is the university and county, and we have been working through plans to ensure that (plexi glass, face shields, face masks, all food in enclosed containers, mobile ordering apps, etc) for the past couple months. **Can email and ask about**

POUDRE HIGH SCHOOL CHEERLEADING BOOSTER CLUB

doing volleyball and basketball without football. Make a poll and see who would commit to games

- Eagles chuck a puck- season delayed until december, we are on the priority list if chuck a puck will continue **Will do if sean emails us**
- Alissa open to doing camps, but conditions are changing rapidly **Ask Alissa for Saturdays she could do kids camps. Could do 5-6 different camps with low cost give aways. Make sure to measure forehead temperature. Could also create screening form that could be signed. Email carey christensen about guidelines and any other info.**
- We can start online fund drive ASAP through our web page **14th-28th of september**
- Parent spirit gear? **do a set of booster sponsored items: hoodie/keychain (megaphone shape) /yeti/tshirt/face masks ask for thicker/more durable vinyl**
- **for legging, hats, etc- people can bring their own new stuff (items must be new for vinyl to adhere correctly) and get a design on it (post clothing blend needed)**
- September booster meeting- mon the 7th is labor day, move to 14th? **yes**
- Food for games- If there is a season, does it make sense to feed kids as a group? If so, how many times a week? Other options? **put off the conversation for next meeting**
- Cheer speaker for games - to buy ONLY if girls will cheer at games this season (CHAASA decision not yet final for many sports) **makes sense just to buy now to use for practices, camps, etc.**
- Vote on team banner- to buy ONLY if girls will have a competition season **makes sense to buy now to use for fundraisers, camps, hang in school, etc.**
- **Added vote item- thermometer to be used for practices, camps, etc.**

Important dates

- August 3rd- team Pictures
- August 24th/25th- First day of school for freshman
- August 26th/27th- First day of school upperclassman
